

# SCREENMAX C7

SCREENMAX C7

A brief introduction to the C7: the SCREENMAX Game-Portabel LED LCD projector offers 280 ANSI lumens and HDTV 1920 x 1080 resolution. The LED service life is 20,000 hours, which is over 13.7 years at four hours of use per day. A built-in horizontal and vertical keystone correction provides freedom when setting up the projector. The projector can illuminate up to 170 cm of image width well with its 280 ANSI lumens. However, in room light, the image width should ideally be less than 113 cm. The model recognizes Airplay, Miracast Screen Mirroring signals, so it is possible to play videos with high resolution and surround sound directly via WLAN from a smartphone, tablet or PC (Android, Windows and iOS). Another extra to be mentioned is that the projector can be connected to external wireless speakers using the Bluetooth function. Furthermore, it is Full HD 1080P and 4K (compressed) compatible.

## Brief Introduction

Beta 2.5

## Display Type

1 x LCD Panel  
HDTV 16/9 Liquid Crystal Display

## Ansi-Lumen
