

SIM2 Grand Cinema C3X LUMIS UNO

SIM2 GRAND CINEMA C3X LUMIS

The Grand Cinema C3X LUMIS UNO DLP projector from SIM2 has 2000 Ansi-Lumen, a contrast of 9000:1 and a HDTV 1920 x 1080 resolution. The projector also offers a lens shift function that makes image adjustment childs play. An image width of up to 454 cm is possible. However, the image should be smaller in room light. We recommend max. 303 cm. Playing 1080P is also no problem for the projector. This model is no longer offered by SIM2. Please also note that there are unfortunately no longer any replacement lamps available for this projector, neither originals nor replicas.
