

Sonnoc SNP-LC651LU

S O N N O C S N P - L C 6 5 1 L U

The SNP-LC651LU Laser LCD has 6500 ANSI lumens, a contrast ratio of 500,000:1 and a WUXGA 1920 x 1200 resolution. The projector's laser has a specified lifespan of 20,000 hours of light, which is the equivalent of 13.7 years at 4 hours a day. Including a lens shift function, which provides freedom during installation. An image width of up to 819 cm is possible because the projector has 6500 ANSI lumens. The projector can handle rooms with low light with a smaller image width; we would recommend a maximum of 546 cm. The model is also Full HD 1080P compatible, and even has the option of projecting HD 1080P Blu-rays onto the ceiling thanks to the 360° projection.

3 x LCD TFT Panel
