

Sony VPL-EX315

SONY VPL-EX315

The VPL-EX315 LCD has 3800 Ansi lumens, a contrast of 3300:1 and an XGA 1024 x 768 resolution. The lamp life is specified by the manufacturer as 10000 hours, which is over 13.7 years if enjoyed for two hours a day. The model offers a microphone jack plug and 16W speakers, so no additional audio devices are required for presentations or training courses. 3800 Ansi lumens ensure that a picture width of 537 cm is also possible. The projector manages rooms with residual light with a smaller image width, we recommend a maximum of 358 cm. Playing 1080P is also no problem for the projector. The projector was launched in 2015 and is no longer sold by the manufacturer.
