

Toumei V7

TOUMEI V7

With the V7, manufacturer Toumei offers a micro-portable DLP LED projector with WXGA 1280 x 800 resolution and a contrast ratio of 2000:1. The manufacturer specifies an LED lifespan of 30,000 hours, which would equate to over 20.5 years based on 4 hours of daily use. An image width of up to 249 cm is possible. However, in room lighting conditions, the image should be set to a smaller size. We recommend a maximum of 166 cm. The model supports AirPlay and Miracast screen mirroring, allowing you to stream high-resolution videos with surround sound directly via Wi-Fi from a smartphone, tablet, or PC (Android, Windows, and iOS). The projector also handles 1080p and 4K (compressed) video signals with ease.

Brief Introduction

Beta 2.5

Display Type

1 x 0,45" DMD DLP Chip

WXGA 16/10 Ti Digital Light Processing Chip

Ansi-Lumen
