

# Viewsonic LSC651WU

VIEWSONIC LSC651WU

With the LSC651WU, manufacturer Viewsonic offers an LCD laser projector with WUXGA 1920 x 1200 resolution and a contrast of 300000:1. Thanks to the laser technology, the projector has a light life of up to 20000 hours, which is over 13.7 years if enjoyed for four hours a day. With the lens shift function, the projector can be positioned very freely. 6500 Ansi lumens ensure that a picture width of 702 cm is also possible. The projector creates rooms with residual light with a smaller image width, we recommend a maximum of 468 cm. The model is also Full HD 1080P compatible. Even projection onto the ceiling is possible thanks to the 360° projection.
