

Vivibright W320

VIVIBRIGHT W320

Brief Introduction

Beta 2.5

A brief introduction to the W320: The Vivibright 3D LED LCD projector offers 168 Ansi lumens, a contrast of 600:1 and a WXGA 1280 x 768 resolution. The manufacturer specifies an LED service life of 20000 hours, which translates to over 13.7 years at 4 hours per day. As Vivibright specifies the brightness of the projector in lumens, we have calculated an approximate ansi-lumen value in this case. An image width of up to 132 cm is possible, as the projector has 168 Ansi lumens. However, if there is room light, the picture should be a maximum of 88 cm wide. It is also Full HD 1080P compatible. The projector was launched in 2014 and is no longer sold by the manufacturer.

Display Type

1 x 5,8" LCD TFT Panel
WXGA 15/9 Liquid Crystal Display

Ansi-Lumen

Projector 455 / 2800 Lumen

Screen 190 Lux (200 cm Screen width)

Contrast
