

Vivitek D857WT

VIVITEK D857WT

The D857WT 3D BrilliantColor DLP projector from Vivitek has 3000 Ansi lumens, a contrast of 3000:1 and a WXGA 1280 x 800 resolution. The manufacturer Vivitek specifies a lamp life of 4000 hours, which is over 5.5 years with two hours of use per day. As the D857WT is equipped with a microphone jack plug and 10W speaker, no additional audio system is required for presentations or training courses. 3000 Ansi lumens ensure that a screen width of 556 cm is also possible. However, if room light is available, the picture should be a maximum of 371 cm wide. Even 1080P video signals are no problem for the projector. The projector was launched in 2011 and is no longer sold by the manufacturer.
