VIVITEK DH2360Z-ST

A brief introduction to the DH2360Z-ST: The Vivitek Laser BrilliantColor DLP projector offers 3600 Ansi lumens, a contrast of 3000000:1 and an HDTV 1920 x 1080 resolution. The manufacturer Vivitek specifies a service life of 20000 hours, which is over 13.7 years with a daily viewing time of 4 hours. The horizontal and vertical keystone correction provides leeway when setting up. As it is a short throw projector, the projector can be placed very close to the wall. For a 2 m wide picture, the projector needs to be just 96 cm away from the screen. Playing 1080P and 4K (compressed) is also no problem for the projector.
