

Vivitek DH4665Z-BK

EAN/UPC:813097023186

The Vivitek DH4665Z-BK 3D Laser BrilliantColor DLP projector has 5000 Ansi lumens, a contrast of 20000:1 and a WUXGA 1920 x 1200 resolution. Thanks to the laser, the service life is 20000 hours, which is over 13.7 years if enjoyed for four hours a day. Includes a lens shift and keystone correction function, which provides freedom during installation. 718 cm image width, the projector will be able to illuminate well. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 479 cm here. A smartphone with MHL connection can be connected directly to the MHL/HDMI port and transmit a 1080p / 60 Hz image mirroring (screen mirroring) while the smartphone is being charged at the same time. It is also Full HD 1080P and 3D compatible. The model built in 2018 is no longer offered by Vivitek.
