

Vivitek DX56AAA

VIVITEK DX56AAA

The Vivitek model DX56AAA is a DLP projector with XGA 1024 x 768 resolution and a contrast of 15000:1. With a brightness of 4500 Ansi lumens, a picture width of 584 cm is possible. The projector can also handle slightly brighter rooms with a narrower picture width (we recommend max. 389 cm). With the HDMI MHL port, the smartphone image can be transmitted to the projector in Full HD at 60 Hz by screen mirroring and the smartphone is charged at the same time. The projector can also play 1080P without any problems. On the market since 2016, the model is no longer offered by the manufacturer Vivitek.

Brief Introduction

Beta 2.5
