

Wanbo T2 Ultra

The T2 Ultra LED LCD projector from Wanbo has 500 ANSI lumens, a contrast ratio of 2500:1 and HDTV 1920 x 1080 resolution. The manufacturer specifies an LED lifespan of 20,000 hours, which would be 13.7 years if you watched 4 hours a day. A built-in horizontal and vertical keystone correction allows freedom when setting up the projector. The projector will be able to illuminate a picture width of 227 cm well. However, if room light is available, the picture width should not exceed 151 cm. With Google TV, the projector becomes a smart entertainment centre with countless functions. The projector has Chromecast, Airplay, Miracast Screen Mirroring support, which allows you to play videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS directly via Wi-Fi. Furthermore, it is Full HD 1080P compatible. With only 30 decibels of operating noise, the model is already very quiet compared to others.

Brief Introduction

Beta 2.5

Display Type

- 1 x LCD Panel
- HDTV 16/9 Liquid Crystal Display

Ansi-Lumen
