

Wanbo X7 Pro Max

EAN/UPC:B0H4KYK9NT

Brief Introduction

Beta 2.5

With the X7 Pro Max, manufacturer Wanbo offers an LCD LED projector with HDTV 1920 x 1080 resolution and a contrast ratio of 3500:1. Thanks to the LEDs, the projector has a lifespan of 30,000 hours?which equates to over 20.5 years if used for four hours a day. Built-in horizontal and vertical keystone correction provides flexibility when setting up the projector. With 1,500 ANSI lumens, it can project an image up to 393 cm wide. However, in well-lit rooms, the image should be no wider than 262 cm. Google TV transforms the projector into a smart entertainment center with countless features. The projector supports Chromecast, AirPlay, and Miracast screen mirroring, enabling direct playback of high-resolution videos and surround sound via Wi-Fi from smartphones, tablets, and PCs running Android, Windows, or iOS. Additionally, thanks to its Bluetooth functionality, the projector can be easily paired with other speakers. The model is also compatible with Full HD 1080p and 4K (compressed). At just 30 decibels, the device is among the quieter projectors.
