

Yaber K300S

YABER K300S

The Yaber K300S short-throw laser DLP projector has 1000 ANSI lumens, a contrast ratio of 1500:1 and HDTV 1920 x 1080 resolution. Manufacturer Yaber states a lifespan of 20,000 hours, which would be the equivalent of over 13.7 years at 4 hours a day. The integrated media player allows you to play files directly. Thanks to the short-throw projection ratio of just 0.18:1, the projector does not disturb you in the room either. For a 2m wide image, the projector only needs to be 36 cm away from the screen. Thanks to Google TV, the projector can be conveniently controlled by voice command. Since the projector recognises Chromecast, screen mirroring signals, it is possible to play videos with high resolution and surround sound directly from a smartphone, tablet, PC (Android, Windows and iOS) via WLAN. Another extra feature is the projectors Bluetooth connectivity, which allows it to be connected to external wireless speakers. Furthermore, the projector can play 1080P and 4K (compressed) without any problems. Compared to others, the projector is very quiet, with an operating noise level of just 27 decibels.

Brief Introduction

Beta 2.5

Display Type

- 1 x DLP Chip
- HDTV 16/9 Ti Digital Light Processing Chip

- Ansi-Lumen
- Contrast
- Black Level Offset
